

WHAT REENTRY SPECIALISTS DO?

Reduce recidivism by forming strong bonds with community partners to help returning citizens reconnect with their community. We work alongside Correctional Case Managers and Probation and Parole Officers to offer support in developing and sustaining a strong release plan. Our Reentry Specialist begins working with eligible offenders 90 days prior to their release. However, we do also help anyone coming out of prison/jail who is also in need of our assistance.

*“We can change
the world and make
it a better place.
It is in your hands to
make a difference.”*
