

You're invited to *Corrections Connections*

The criminal justice system can be
confusing.

What can we do to help friends and
families, navigate the system when
a loved one is on probation,
on parole, or in prison?

We want to start by
listening.

The Department of Correction invites
you to participate in an evening of
information about the system,
and to talk about ways we all can help.

This flier is available online.
