Section III: Glossary

1. **Contract Beds:** Prisoner housing created when government agencies enter into contractual agreements with county jails or privately-operated prisons - either in or out of state - to house prisoners in their custody and then pay a per diem or monthly rate, either for each prisoner in the facility, or for each place available, whether occupied or not.
2. **Incarcerated:** An offender who has been committed by the courts to one of the Idaho Department of Correction institutions. Term, Rider, and Parole Violator offenders are considered incarcerated.
3. **Parole Violator:** An offender who has been placed on parole and then violates the conditions of their parole. Parole Violator status is usually temporary status until a hearing can be conducted to determine if the offender will be returned to Term or Parole status.
4. **Paroled Offender:** An offender that the parole commission has decided to place in society after serving a portion of their sentence. They are supervised by a Parole Officer for the remainder of their court commitment. The offender's status is changed from Term to Parole.
5. **Probation:** An offender that the courts have decided to allow to service their sentence while living in society. They are not incarcerated, but are supervised by a Probation Officer until their court commitment is satisfied.
6. **Retained Jurisdiction (Rider):** An offender committed to an Idaho Department of Correction Rider program. The courts will retain jurisdiction of this offender until the completion of the Rider program. The courts will subsequently determine whether to place this offender on Probation or Term status or to withhold judgment.
7. **Term:** An offender who the courts or the Parole Commission has committed to one of the state prisons.
8. **Pending:** Pending counts reflect the incarcerated offenders waiting to be adjudicated for a new crime or the data has not yet been updated in the data management system.
