<sup>1</sup>Parole Violator: An individual who violates the conditions of their parole. This is usually a temporary status until a hearing can be conducted to determine if their parole will be reinstated or revoked.

<sup>2</sup>Retained Jurisdiction (Rider): Individuals sentenced to a period of incarceration in an IDOC facility over whom the court has retained jurisdiction. The IDOC assesses riders to determine their needs and places them in the appropriate facilities to receive intensive programming and education. Upon completion of a rider, the court determines whether to place the resident on probation or sentence them to term.
