## Social Media Terms of Use

The following Terms of Use apply to all social media sites for the Idaho Department of Correction (IDOC) and all its divisions, probation and parole districts, correctional facilities and programs.

IDOC's social media sites were created to provide people with an interest in the work of IDOC to access information about IDOC or to communicate with IDOC. These social media sites are monitored and managed by the IDOC Public Information Officer. IDOC's social media sites are Limited Public Forums.

IDOC encourages you to share your thoughts and ideas on topics being discussed but have rules in place to encourage civil discourse and prevent anything that might impede the purpose of an IDOC social media site. Our purpose is to convey important information about our facilities and staff, in furtherance of our mission to protect the public, our staff and those within our custody and supervision through safety, accountability, partnerships and providing opportunities for offender change.
